

## **You're one step closer to a \$1,000 eftpos card!**

Thanks for applying for a new NAB home loan.

### **Just confirming the details**

You'll get the \$1,000 eftpos card if you have applied for a new principal and interest NAB home loan of \$300,000 or more, between 22 September and 31 October 2014. Importantly, you need to drawdown your NAB home loan by 30 January 2015.

### **What happens now?**

If you have met the offer terms and conditions, the primary applicant will receive a \$1,000 eftpos card in the mail no later than 60 days after drawdown, although we'll aim to send it to you as soon as possible (it will be sent to the primary applicant's mailing address). There is only one eftpos card per application. You'll then need to go online and activate your card (within two months of receiving it) and you'll have 12 months to spend the \$1,000 at any eftpos terminal.

The eftpos card is fulfilled by Edge Loyalty Systems Pty Ltd. Once your loan has drawdown we will pass on your name and address to them so they can send the card to you. For details on how we may use your information see our Privacy Notification at [nab.com.au/privacy](http://nab.com.au/privacy). If you have any questions about use or delivery of the card, please give Edge Loyalty a call on 1300 079 267.

If you have any questions about your home loan application please contact your broker.

Sincerely,

**Steve Kane**  
General Manager, NAB Broker

#### **Important Information**
